THANK YOU FOR YOUR PATRONAGE

SO THIS STUDENT PROBABLY CAN'T DO ANYTHING BUT PRETEND TO FIGHT.
CVR - CIVETTA RESEARCH SPECIALISES IN HONEY TRAPS

GATHERING INFORMATION FROM STUDENTS IN THE AREA... IT SEEMS THAT EVEN FOR THE FAST ONES, IT WILL TAKE THEM 15 MINS TO ARRIVE TO THE SCENE

BUT, WE'RE ONLY FIRST YEARS...
SO, WHAT SHOULD WE DO? MOVE OUT?

Sorry for the delay. Life shot school by and we did struggle a bit with agreeing and organising. Forgot to mention last time too but Kinji did proofread some of these chapters a while back. Sorry we didn't release it until now. Sorry I didn't use some of your changes either. Sorry I'm alive. Blame PKX if anything is wrong/screwed up. V2 if ever we get private RAWs.
